1 Authorization and Administration

1.1 Title

This By-law shall be known as the “Zoning By-law” or By-law No. 3710/23 of the Corporation of the Town of Iroquois Falls.

1.2 Effective Date

This By-law comes into force and takes effect on February 9, 2024.

1.3 Defined Area

The provisions of this By-law shall apply to all lands within the incorporated limits of the Town of Iroquois Falls.

1.4 Scope

No land shall be used and no building or structures shall be erected, altered, enlarged, or used within the Town of Iroquois Falls except in conformity with the provisions of this By-law.

No lands shall be severed from any existing lot if the effect of such action is to cause the original, adjoining, remaining, or new building, structure, or lot to be in contravention of this By-law.

1.5 Existing Uses Continued

Nothing in this By-law shall prevent the use of any lot, building or structure for any purpose prohibited by this By-law if such lot, building or structure was lawfully used for such purpose on the date of passing of this By-law, so long as it continues to be used for that purpose.

1.6 Prior Building Permit Issued

Nothing in this By-law shall prevent the erection or use of any building or structure for a purpose prohibited by this By-law if the plans for such building or structure were approved by the Building Department prior to the date of passing of this By-law, provided:

- 1) When the building or structure is erected, it shall be used and continue to be used for the purpose for which the building permit was issued; and
- 2) The erection of such building or structure is commenced within 2 years of the date of passing of this By-law and provided the erection of such building or structure is completed within a reasonable time after the erection thereof is commenced.

1.7 Compliance with Other Restrictions

This By-law shall not be effective to reduce or mitigate any restrictions lawfully imposed by a governmental authority having jurisdiction to make such restrictions.

1.8 Interpretation

The provisions of this By-law shall be held to be the minimum requirements except where the word maximum is used in which case the maximum requirement shall apply.

In this By-law the word 'shall' is mandatory; words in the singular include the plural; words in the plural include the singular; words in the present tense include the future.

1.9 Measurements

Measurements contained in this By-law are in metric units only. Where imperial units appear, such units do not form part of this By-law; they are to be considered as ancillary information only and are provided only for the convenience of the reader.

1.10 Administrator

This Zoning By-law is administered by the Town Clerk, Chief Administrative Officer, or an appointee. A certified true copy is on file in the office of the Town of Iroquois Falls.

1.11 Occupancy or Building Permit, Certificate, or Licence

- 1) No change shall be made in the type of use of any land, building, or structure within any zone, without first obtaining a Certificate of Occupancy from the Town to the effect that the proposed use conforms to this By-law.
- 2) No municipal permit, certificate, or licence shall be issued for a proposed use of land or a proposed erection, alteration, enlargement, or use of any building or structure that is in contravention of any provision of this By-law.

1.12 Applications and Plans

In addition to the requirements of any Building By-law, every application for a building permit shall be accompanied by sufficient information, in an appropriate form, to determine whether the building or structure conforms to the requirements of this By-law. This shall include:

- 1) A plan drawn to scale showing the true dimensions of the lot to be built on and used; the location, height, and dimensions of any existing or proposed building, structure, and use; the location of any required setback and the proposed location and dimension of any yard, landscaped open space, and off-street parking and loading required by the By-law; and
- 2) A statement signed by the Owner giving the exact use proposed for each building, structure, or the proposed use of the lot to determine whether such building, structure, or use conforms to this By-law.

Notwithstanding the above, applications that do not affect the external dimensions of the building, number of dwelling units, or useable floor area may not require the information contained in subsections a) and b).

1.13 Request for an Amendment

Where an amendment to this Zoning By-law is requested by an owner of land in the Town, the said owner shall complete and submit to the Town, prior to his request being considered, an application form for Amendment to the Zoning By-law.

1.14 Inspection of Premises

The Town Clerk, Treasurer, Chief Administrative Officer, or any employee of the Town of Iroquois Falls acting under direction, may, at any reasonable hour (as set out by Council), enter and inspect a property or premises under a Power of Entry By-law, where there is reason to believe that any land has been used or any building or structure has been erected, altered, enlarged, or used in violation of any of the provisions of this By-law.

1.15 Violations and Penalties

Any person convicted of a breach of any of the provisions of this By-law shall be liable to a fine recoverable under the *Provincial Offences Act*. Each day of violation shall constitute an offence.

In the case of any lot being used, any building or structure being erected, altered, reconstructed, or extended or part therefore being used in contravention of any provision of this By-law, such contravention may be restrained by action at the instance of any ratepayer or of the Corporation pursuant to the provisions of the *Municipal Act* or the *Planning Act* in that behalf.

1.16 Validity

If any portion of this By-law is for any reason declared invalid by a court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this By-law.

1.17 Technical Revisions

Revisions may be made to this By-law without the need for a Zoning By-law Amendment in the following cases:

- 1) Correction of grammar, punctuation or typographical errors, or revisions to format in a manner that does not change the intent of the By-law;
- 2) Adding or revising technical information on maps or schedules that does not affect the zoning of lands including, but not limited to, matters such as updating and correcting infrastructure information, keys, legends, or title blocks; and
- 3) Changes to appendices, footnotes, headings, indices, marginal notes, tables of contents, illustrations, historical or reference information, page numbering, footers, and headers, which do not form a part of this By-law, and are editorially inserted for convenience or reference only.

3 General Provisions

3.1 Accessory Uses

Where this By-law provides that land may be used or a building or structure may be erected or used for a purpose, that purpose shall include any accessory building, structure, or use incidental thereto, in accordance with the following provisions:

- a) An accessory use shall not be erected prior to the erection of the primary use on the same lot except where it is necessary for the storage of tools and materials for use in connection with the construction of such primary use and does not exceed 10 sqm (108 sqft) in area and no accessory building shall be used prior to the erection of such primary use for any purpose other than such storage.
- b) The use of any accessory building or structure for human habitation is not permitted except where a dwelling or guest cabin is a permitted accessory use or as permitted under Section 3.1.1.
- c) The use of any accessory building or structure for the keeping of animals, other than domestic pets and chickens in compliance with other municipal by-laws, is not permitted in any Residential Zone or the Recreational Residential Zone.
- d) No accessory use shall be located in the front or exterior side yards, except for a detached garage in the RU or RR Zone.
- e) No accessory building shall exceed 5.0 m (16.4 ft) in height, nor be built within 1.8 m (5.9 ft) of the main building in all zones.
- f) The total lot coverage of all accessory uses shall not exceed 10%.
- g) Accessory buildings or structures shall not be located closer than 1.2 m (3.9 ft) to any interior side or rear lot line, except where a detached mutual private garage is erected on the common side lot line between two lots, in which case no interior side yard is required.
- h) Except as provided herein, all accessory uses shall not be located closer to a lot line than the required minimum setback for the main building from said lot line.

3.1.1 Additional Dwelling Units (basement apartments, in-law suites), Accessory Apartments, and Garden Suites

In Residential Zones, the use of two residential units in a detached house, semi-detached house, or rowhouse; and the use of a residential unit in a building or structure accessory to a detached house, semi-detached house, or rowhouse is permitted. In certain commercial zones, the use of a residential unit accessory to a permitted commercial use is permitted.

Where these uses are permitted, they are subject to the following provisions:

- a) Parking shall be provided in accordance with Section 3.17, and tandem parking in the existing driveway is permitted;
- b) Additional dwelling units and accessory apartments are permitted in a detached dwelling and/or accessory structure which are serviced by private, individual systems, provided it can

be demonstrated that the private sewage disposal system can accommodate the change in use; and

- c) Garden suites must comply with the setbacks for accessory buildings.
- d) Accessory apartments in commercial zones shall be located to the rear of the main floor or located on the upper floors provided that not less than 50% of the main floor is devoted to a commercial use.

Notwithstanding the provisions of this By-law, no dwelling unit shall be located in a non-residential building that is used for commercial garage.

3.1.2 Boat Houses

- a) Sleeping accommodations shall not be permitted over a boat house.

- 2) Permitted accessory home-based businesses are subject to the following provisions:
 - a) There shall be no external display or advertising other than a legal sign with a maximum area of 0.2 sqm (2.2 sqft), indicating that a part of the dwelling is being used for a purpose other than residential.

- b) There shall be no goods, wares, or merchandise, other than arts and crafts or foods produced on the premises, offered or exposed for sale or rent. In the case of home baking or catering there shall be no area for consumption on the premises.
 - c) The activity shall not create or become a nuisance, in particular, in regard to noise, odour, vibration, traffic, or parking.
 - d) No mechanical or electrical equipment is used except that which is reasonably consistent with the use of a dwelling.
 - e) Parking requirements shall be calculated as per Section 3.17 of the Zoning By-law.
 - f) Home-based businesses may be subject to Site Plan Control.
- 3) In R1 and R2 Zones the following additional provisions shall apply:
- a) No more than one person, other than someone residing on the premises, shall be engaged in the business.
 - b) No more than 25% or 46 sqm (495 sqft) of the total floor area of the dwelling, whichever is the lesser, shall be used for such purposes.
 - c) The home-based business shall be clearly secondary to the main residential use and shall not change the residential character of the dwelling.
 - d) Not more than 15% of the lot shall be used for parking facilities.
- 4) In the Rural Zones, rural home-based businesses, shall be permitted in accordance with the following provisions:
- a) The following additional uses shall also be considered permitted accessory uses to any single dwelling in a Rural Zone:
 - The retail sale of produce grown on the lot, the retail sale of goods made using produce grown on the lot, and a veterinarian's office.
 - b) The following additional uses shall be considered permitted accessory uses to a dwelling accessory to an agricultural use where the agricultural use is the main use of the lot:
 - The retail sale of agricultural equipment and supplies or a service outlet for agricultural equipment and supplies.
 - c) No more than two persons shall be employed on the premises in the rural home-based business.
 - d) No more than 25% of the floor area of the dwelling unit and no more than 50 sqm (538 sqm) in one accessory building shall be used for the rural home-based business.
 - e) Such rural home-based business shall be clearly secondary to the main rural use and shall not change the rural character of the dwelling or lot.
 - f) There shall be no open storage of materials, supplies, tools, equipment, or goods which are used for, or result from the rural home-based business, unless such open storage is a minimum of 15 m (49 ft) from any lot line and a minimum of 45 m (148 ft) from a residential use on another lot.

3.8 Hunt Camps

Where permitted by this by-law, a hunt camp shall meet the following provisions:

- 1) The hunt camp shall have a maximum floor area of 40 sqm (431 sqft);
- 2) Such hunt camp is permitted to be used a maximum of 10 days in a month to a total of 60 days per year.
- 3) Only one hunt camp is permitted per lot.

3.9 Landscaping

Where a lot is used for a Commercial or Industrial purpose and the interior side or rear lot line abuts a Residential or Open Space Zone, then a strip adjoining such abutting lot line shall be used for no purpose other than a planting strip in accordance with the following provisions:

- 1) The required planting strip shall be a minimum width of 3.0 m (9.8 ft).
- 2) A planting strip shall be used for no other purpose than a continuous fence or hedge row of evergreens or shrubs, not less than 1.5 m (4.9 ft) high immediately adjoining the lot line or portion thereof along which such planting strip is required herein, provided that no fence or hedge row shall be required or permitted to a height in excess of 1.0 m (3.3 ft) closer to a street line than the required yard depth.
- 3) In all cases where ingress and egress driveways or walks extend through a planting strip, it shall be permissible to interrupt the strip within 3.0 m (9.8 ft) of the edge of such driveway or within 1.5 m (4.9 ft) of the edge of such walk.
- 4) A planting strip referred to in this subsection may form part of any landscaped open space required by this By-law.

3.10 Lots in More than One Zone

Where a lot is divided into more than one zone, each such portion of the lot shall be used in accordance with the provisions of this By-law for the zone where such portion of the lot is located. Each such portion of the lot shall be considered as a separate lot for the purpose of determining zone provisions. Notwithstanding the foregoing, for lots which are partially in a holding zone of the “h” type or in the Hazard Zone, the entire lot shall be used to determine zone requirements such as area, frontage, coverage, and setbacks.

3.11 Municipal Services

No person shall hereafter erect and use in whole or in part any building or structure without municipal piped services for any purpose in the R1, R2, C1, C2, M1, M2, and I Zones, except where specifically permitted as an exception to this By-law.

3.12 Non-Complying Buildings, Structures, and Lots

3.12.1 Alterations to Non-Complying Buildings and Structures

Nothing in this By-law shall prevent the enlargement, reconstruction, renovation, or repair of an existing non-complying building or structure provided such enlargement, reconstruction, renovation, or repair shall not further the non-compliance with the By-law or contravene any other zone provisions.

3.12.2 Use of Undersized Lots

Where a lot having less than the minimum lot area or frontage required by this By-law, exists on the date of passing of this By-law or is increased in area or frontage but still does not meet the minimum area or frontage

requirements of this By-law, such lot may be used for a purpose permitted in the zone in which it is located provided that all other applicable provisions in this By-law are met.

3.12.3 Expropriation and/or Road Widening

If any legally existing building or structure would become non-complying as a result of a road widening or an expropriation, by having any yard reduced, the said existing building or structure shall be deemed to be complying for the purposes of this By-law.

If any legally existing lot would become non-complying as a result of a road widening or an expropriation, by having its lot area and/or lot frontage reduced, the said existing lot shall be deemed to be complying for the purposes of this By-law.

3.13 Non-Conforming Buildings and Structures

3.13.1 Rebuilding, Repair, and Strengthening Permitted

Nothing in this By-law shall prevent the rebuilding, repair, or strengthening to a safe condition, including the installation of eaves troughs, siding, brick, or insulation, of a non-conforming building or structure that is damaged subsequent to the date of passing of this By-law, provided that:

- 1) the floor area of the original building or structure is not increased;
- 2) the use of the building or structure is not altered, unless altered to a permitted use; and
- 3) Any interruption in use does not last more than two years.

3.13.2 Change of Use

The use of any lot, building, or structure which is not permitted in the zone in which it is located shall not be changed except to a use which is listed as a permitted use in such zone or to a use which is authorized by Council pursuant to its powers under the *Planning Act*.

3.14 Noxious Uses

No use shall be permitted which from its nature or the materials used therein, is declared to be a noxious trade, business, or manufacture.

3.15 Occupancy Restrictions

No human habitation nor an occupation or activity conducted for gain or profit unless specifically permitted elsewhere in this By-law shall be permitted in the following buildings, structures, or parts thereof:

- 1) any truck, bus, coach, or streetcar body whether or not the same is mounted on wheels;
- 2) any cellar, as defined in this By-law; and
- 3) any trailer or recreational vehicle.

3.16 Open Storage

Open Storage shall be restricted to the Highway Commercial and Industrial Zones in accordance with the following:

- 1) In the C2 Zone, open storage shall not be permitted within any front, side, or rear yard where the C2 Zone abuts any Residential or Institutional Zone.
- 2) In the M1 and M2 Zones, open storage shall not be permitted within any front yard nor within the minimum side or rear yard where these zones abut any Residential or Institutional Zone.
- 3) A strip of landscaped open space, a minimum of 3.0 m (9.8 ft) wide shall be provided around all sides of an open storage area which abut adjacent properties.
- 4) Where open storage areas abut Residential or Institutional Zones, the required landscaped open space must also include visual screening. Any combination of plant materials, landscaped berms, or fencing may be used, but such materials must provide an effective visual screen between the open storage areas and the abutting properties.
- 5) Any areas used for open storage shall be in addition to any minimum off-street parking or loading areas required by this By-law.

3.17 Parking Requirements

3.17.1 Number of Spaces Required

- 1) The owner of every building or structure erected or used for any of the purposes hereinafter set forth shall provide and maintain for the sole use of the owner, occupant, or other persons entering upon or making use of the said premises from time to time, parking spaces and areas as follows:

- 2) When a building or structure accommodates more than one type of use, as defined in this By-law, the parking space requirement for the whole building shall be the sum of the requirements for the separate parts of the building occupied by the separate types of use.

3.17.2 Parking Area Requirements

- 1) The parking area shall be located on the same lot as the use it is intended to serve except in the case of the General Commercial (C1) Zone, where the parking area may be allocated in an off-street parking lot.
- 2) No parking shall be permitted within 8.0 m (26 ft) of the highwater mark or within any 3.0 m (9.8 ft) of lot line abutting a lot in a Residential Zone.
- 3) Each parking space shall be at least 3.0 m (9.8 ft) by 6.0 m (20 ft) and shall be provided with unobstructed access to a street by a driveway, aisle, lane, or private road;
- 4) Accessible parking spaces shall meet the Ontario Integrated Accessibility Standards Regulation 191/11 or its successors.

- 5) Notwithstanding the yard and setback provisions of this Bylaw to the contrary, uncovered surface parking areas, in other than Residential Zones, shall be permitted in any required yard or in the area between the road or street line and the required setback provided no part of the parking area, other than a driveway, is located closer than 1.0 m (3.3 ft) to any road or street line.

In Residential Zones no parking shall be permitted in the required front yard of any lot except on a driveway of 7.5 m (24.6 ft) maximum width.

- 6) Where a parking area is situated in a Residential Zone and is designed to accommodate more than six (6) automobiles, a strip of land not less than 3.0 m (9.8 ft) wide, around the periphery of the parking area, shall not be used for any purpose other than landscaping but this shall not prevent the provision of entrances or exits to said parking area across the strip.
- 7) A structure not more than 3.0 m (9.8 ft) in height and not more than 5.0 sqm (54 sqft) in area may be erected in a parking area for use of parking attendants.

3.17.3 Parking Area Surface

All required parking spaces, parking areas, parking lots and all driveways providing access thereto shall be established and maintained with a stable surface, treated so as to prevent the raising of dust or loose particles and comprised in whole or in part of one or more materials including asphalt, concrete, concrete or brick pavers, gravel or similar materials and made with provisions for drainage facilities.

3.17.4 Ingress and Egress

- 1) Ingress and egress, to and from the required parking spaces and areas shall be provided by means of unobstructed driveway aisles at least 4.0 m (13 ft) but not more than 9.0 m (30 ft) in width.
- 2) The maximum width of any joint ingress and egress driveway measured along the street line shall be 9.0 m (30 ft).
- 3) The minimum distance between a driveway and an intersection of street line shall be 9.0 m (30 ft).
- 4) The minimum angle of intersection between a driveway and a street line shall be sixty (60) degrees.
- 5) Every lot shall be limited to the following number of driveways: a) up to the first 30 m (98 ft) of frontage not more than two (2) driveways; and b) for each additional 30 m (98 ft) of frontage not more than one (1) additional driveway.

3.17.5 Loading Spaces

No person shall erect or use any building or structure in any Zone for any Commercial or Industrial purpose involving the movement of goods or persons unless loading spaces are provided and maintained in accordance with the following provisions:

- i) Except that where total gross floor area is less than 186 sqm (2,002 sqft), no loading space shall be required;
- ii) One loading space shall be provided where total gross floor area exceeds 186 sqm (2,002 sqft) but is less than 1,860 sqm (20,002 sqft) and for each additional 1,860 sqm (20,002 sqft) of gross floor area, one additional loading space shall be provided;
- iii) Said loading space shall be not less than 3.6 m (11.8 ft) by 13.5 m (44.3 ft) in area;

- iv) Said loading space shall have not less than 4.2 m (13.8 ft) in height for clearance.
- v) Where in this By-law, loading spaces are required, the following standards shall be met:
 - i. Adequate drainage facilities shall be provided and maintained in accordance with the requirements of the Town;
 - ii. The loading space and approaches shall be maintained with a stable surface that is treated to prevent the raising of dust or loose particles;
 - iii. the lights used for illumination of the loading space shall be so arranged as to divert the light away from adjacent lots;
 - iv. Where a loading area is situated on the boundary between any Commercial Zone or Industrial Zone and any Residential Zone, a strip of land not less than 1.5 m (4.9 ft) in width, lying within the Commercial or Industrial Zone along said boundary, shall be used for no purpose other than landscaping.

3.17.6 Illumination

Where parking areas are illuminated, lighting fixtures shall be so arranged that no part of any fixture shall be more than 9.0 m (30 ft) above the finished grade of the parking area. Fixtures shall be so designed and installed that the light is directed downward and deflected away from adjacent lots, roads, and streets.

3.17.7 Addition to Building or Structure

When a building or structure has insufficient parking area at the date of passing of this By-law to comply with the requirements herein, this By-law shall not be construed to require that the deficiency be made up prior to the construction of any addition. No addition may be built, however, and no change of use may occur, the effect of which would be an increase in that deficiency.

3.17.8 Use of Parking Spaces and Areas

3.17.8.1 *Unlicensed Vehicles*

Any area where off-street parking is permitted under this By-law shall be used for no other parking purpose than for the parking of operative passenger vehicles and commercial vehicles used in operations incidental to the permitted uses on the lot, all bearing currently valid licence plates.

Notwithstanding the above, one such vehicle may be stored inside a private garage in a Rural or Residential Zone and any number of such vehicles may be stored within a motor vehicle service establishment in a Commercial Zone or automobile wrecking yard and on the Municipal Airport property, providing such vehicles are essential to the operation of the Municipal Airport.

3.17.8.2 *Commercial Vehicles*

In any Zone other than a Commercial or Industrial Zone, the parking or storing of one commercial motor vehicle shall be permitted on any lot provided that:

- a) In any urban residential zone the vehicle weight of said vehicle is not greater than 5,445 kg (6 tons).
- b) Said vehicle is operated by the owner or occupant of a dwelling unit on the lot.

3.18 Public Uses Permitted

The provisions of this By-law shall not apply to the use of any land or to the erection or use of any building or structure for the purpose of public service by the Town of Iroquois Falls and/or any Public Authority, or Ministry of the Government of Ontario or Canada, including Hydro One Networks Inc., or any telephone, broadband, cellular or gas company, provided that where such land, building, or structure is located in any zone:

- 1) no goods, material or equipment shall be stored in the open, except as permitted in such zone;
- 2) the lot coverage and yard requirements described for such zones shall be complied with; and
- 3) parking and loading requirements as contained in this By-law shall be complied with.

Nothing in this By-law shall prevent the installation of a watermain, sanitary sewer main, storm sewer main, gas main, pipeline, or overhead or underground hydro and telephone line provided that the location of such main or line has been approved by the Town.

3.19 Recreational Vehicles

3.19.1 Temporary Habitation Permitted up to 14 days

No tourist trailer shall be used within the Town for a period of more than 14 days in a one year period for living, sleeping or eating accommodation, except in a recognized tourist trailer park.

Such trailer shall be in compliance with municipal licensing regulations, if applicable.

3.19.2 Storage regulations

Storage of a recreational vehicle may only occur on a residential lot, or accessory to a permitted residential use in accordance with the following provisions.

- a) Storage of a recreational vehicle is not permitted on a lot without a primary use.
- b) Such vehicle shall be permitted in a garage, carport, or other building;
- c) Such vehicle shall not be located in the front or exterior side yard or any required parking space or sight triangle;
- d) Such vehicle shall comply with the setback for accessory structures of 1.2 m (3.9 ft) from an interior side or rear lot line.

3.20 Setbacks to Provincial Highway, Pipelines, 0.3 m Reserve, Waste Disposal Sites

Notwithstanding any provisions of this By-law to the contrary, the following additional setbacks apply:

- i) where a building or structure is located adjacent to a Provincial Highway, setbacks shall be provided and maintained in accordance with the requirements of the Ministry of Transportation, where such requirements are in excess of those required by this By-law.
- ii) no building or structure shall be erected within 15 m (49 ft) of the edge of the easement or right-of-way of TransCanada Pipelines.

- iii) where an exterior side lot line abuts a 0.3 m (1.0 ft) reserve, no portion of any building or structure above or below grade shall be located closer than 6.0 m (19.7 ft) to the said reserve.
- iv) No new development is permitted within 500 m (1,640 ft) of an existing or former waste disposal site.

3.21 Sight Triangles

Notwithstanding any provisions of this By-law to the contrary, within any area defined as a sight triangle, the following uses shall be prohibited:

- 1) a building, structure, fence or tree, hedge, bush, or other vegetation, the top of which exceeds 0.6 m (2.0 ft) in height above the elevation of the centrelines of abutting streets;
- 2) a parking area; and
- 3) a finished grade which exceeds the elevation of the centrelines of abutting streets by more than 0.5 m (1.6 ft).

3.22 Signs

The provisions of this By-law shall not apply to prevent the erection, alteration, or use of any legal sign provided that such sign complies with the provisions of this By-law regarding sight triangles.

3.23 Temporary Uses

- 1) Any temporary construction facility such as a shed, scaffold, sales office, temporary accommodation facility such as a recreational vehicle, and equipment incidental to building on the premises for a maximum period of two years shall be permitted in any zone. Temporary accommodation will only be permitted in the case when an existing dwelling is damaged to the extent that it becomes inhabitable and for the time period while reconstruction of the dwelling is in progress.
- 2) Other temporary uses may be authorized from time to time by Zoning By-law amendment pursuant to Section 39 of the *Planning Act*.

3.24 Wayside Pits and Quarries

Wayside pits and quarries and portable asphalt plants are generally permitted throughout the Town without the need to amend the Zoning By-law, provided no severe environmental disruption will occur and the site is not within a Residential Zone, wetland, or watercourse. The Town shall require a rehabilitation plan as a condition of approval.

4 Zones

For the purpose of this By-law all land within the boundaries of the Town of Iroquois Falls is hereby divided and established into Zones which are shown on the attached Schedules by the accompanying symbols:

- R1 Residential, First Density
- R2 Residential, Second Density
- R3 Residential, Third Density
- RR1 Recreational Residential
- RMH Mobile Homes
- C1 General Commercial
- C2 Highway Commercial
- C3 Local Commercial
- RC1 Resort Commercial
- ABI Airport Business Industrial
- M1 Light Industrial
- M2 Heavy Industrial
- M3 Extractive Industrial
- I Institutional
- O Open Space
- RR Rural Residential
- RU Rural
- HAZ Hazard Lands
- DC Development Control

In addition, the following suffixes may be used in conjunction with any of the foregoing zones, in which case, the relevant provisions of Section 4.4, 4.5, or 4.7 will apply respectively:

- -(numeral): special exception zone
- -h : holding zone
- -T: temporary use

4.1 Schedules

The aforementioned zones together with the zone boundaries are shown on the attached Schedule “A” and Schedule “B” which forms part of this By-law.

4.2 Boundaries of Zones

Where the boundary of any zone, as shown on the attached Schedules are uncertain, the following provisions shall apply:

- 1) where the boundary is indicated as following a street, lane, railway right-of-way, or other right-of-way, then the boundary shall be the centre line of such street, lane, railway, right-of-way, or other right-of-way;

- 2) where the boundary is shown as approximately following a lot line or an extension of a lot line on a registered plan of subdivision or registered survey plan, the lot line or extension thereof shall be the boundary;
- 3) where the boundary is shown as approximately following a watercourse, then the highwater mark shall be the boundary where no flood plain mapping exists. In the case where 1:100 year floodline is available, the boundary shall be the 1:100 year floodline; and
- 4) where uncertainty exists as to the boundary of any zone, then the location of such boundary shall be determined from the original Schedules which are available at the Clerk's office.

4.3 Streets and Rights-of-Way

A street, lane, railway right-of-way, or other right-of-way shown on the attached Schedules shall be included, unless otherwise indicated, with the zone of adjoining property on either side thereof.

4.4 Special Exception Zones

Where a zone symbol is followed by a dash and a number (for example "M1-1"), the lands so designated shall be subject to all of the provisions of the zone represented by such symbol, except as otherwise provided by the special exception provisions of the zone. These special provisions are listed separately under the appropriate zone (e.g. M1) in the text of this By-law.

4.5 Holding Zones

Any parcel or area of land may be further classified as a holding zone with the addition of the suffix "-h". The intent is to signify Council's approval in principle to future development of the land for the purposes indicated by the symbol. The holding classification added to a given zone shall restrict development of the land until the requirements of the Official Plan related to holding zones have been met.

- 1) Where a holding zone applies, no lands shall be used and no buildings or structures shall be erected or used for any purpose other than those uses existing for such land, building, or structure on the date of passing of this By-law.
- 2) Any change from the holding status shall require an amendment to this By-law, and the Town may require that the applicant enter into an agreement for the development of his/her lands prior to the amendment being approved.

4.6 Building, Structure, and Use Classification

The buildings, structures, and uses specifically named as permitted uses in a particular zone are the only uses permitted in the particular zone in which they are named and classified.

4.7 Temporary Use By-laws

Temporary use By-laws may have been passed by the Town to allow temporary uses pursuant to Section 39 of the *Planning Act*. Temporary uses are shown on the schedules as special exceptions and details concerning the temporary use are included in the special exception text within the specific zone category.
